

# ST. LAWRENCE CRUISE LINES

## **CRUISE SHIP POSITION SHIP'S DIESEL MECHANIC**

**Experience a one-of-a-kind job on the St. Lawrence and Ottawa Rivers and discover Canada while working aboard a classic riverboat!**

**St. Lawrence Cruise Lines Inc.** is seeking applicants for the position of Ship's Diesel Mechanic for a Kingston-based overnight cruise ship on 4, 5, 6 and 7 night voyages to Montreal, Ottawa and Quebec City. The Canadian Empress is a 64-passenger vessel.

This position is Full time, Seasonal from **April to November**. The minimum requirement for this position is a mechanical background. Assets for this position would be knowledge in diesel engine mechanics or marine engineering certification and experience. This position works under the onboard supervision of the Captain, as well as the Operations Department.

### **This position is responsible for the following:**

- Management of the Engine Room
- Preventive Maintenance
- Servicing engines, gears and electrical equipment on board
- Maintenance of all things mechanical on board
- Bunkering fuel and water

### **Work Periods:**

- Full time, Seasonal (April-November)
- 8 hours per day during April fit out, November lay up
- 11+ hours per day (on average during cruise season)
- Alternating 4, 5, 6 and 7 night cruises on a "cruise-on, cruise-off" basis – equivalent to 40 hrs per week

### **Wages and Compensation:**

- Salary commensurate with experience and certification
- Transportation to/from ports provided (with food allowance)
- Meals and accommodation provided while cruising

**Notes:** Successful applicants must be available full-time through November. St. Lawrence Cruise Lines is a federally-regulated employer.
